This architecturally designed custom built split level home is approximately 15 years old boasting genuine polished timber floors that are cool beneath your feet with multiple living zones including a lower level rumpus/media room. The main family room boasts high raked ceilings that create a feeling of space and style.

The open plan kitchen is the heart of this lovely home, strategically placed between the informal and formal dining and lounge areas with just a few short steps away from the outdoor elevated entertaining area where you will entertain whilst enjoying the captivating surrounds of your children playing or simply lazing around in a sundrenched sparkling 10 x 4 metre in-ground pool.

You will find the master bedroom with a walk-in robe with ensuite has been strategically placed at one end of the home for privacy with the generous proportioned childrens rooms located at the other end of the home.

The home was designed and is perfect for older children as the design provides separation with an entertainment area that extends the interiors into the outdoors

Acres of creek-lined parkland with childrens play equipment, bike & walking pathways including BBQ facilities border the estate, while the Brookfield State School, Showgrounds and local shop are a short drive.

With four bedrooms plus study and three bathrooms including an en-suite. The open plan design has four living areas which is the perfect place to unwind after a long day while large glass sliding doors open to capture those amazing breathtaking views and cooling breezes that flow throughout the home while on the hottest of days, air conditioning provides welcome respite in our Queensland summers.

There is also plenty of room for the  
So many features all in one property - this home has all the boxes ticked.
